Subject: RE: Water Data upload

Alyson:

I have uploaded all of the data from the pipeline again. A report is attached.

I did not notice any problems with the upload, but I don't really check things. Jim Smith, the assigned Hydrologist will be looking at the data closely to see if there are any problems, however he may not do so immediately.

Please let me know if you have any questions.

Thank you,

Dana Dean, P.E.
